

Good morning and welcome to services! We are so glad you are here. We are working hard on so many L2L projects and it's hard to believe the convention is just a couple of months away. Our scrapbooking team met on Friday evening and we can't wait to see what they come up with for 2024! Our Storyline team meets this afternoon to film and this is definitely one of the most fun L2L projects we work on together. If you are interested in being on a puppet team at convention we will be meeting today at 5:30 for an informational meeting. You still have a few more days to decide on the events you'd like to participate in. Registration closes on January 29th, so be sure and see Alison to finalize your registration! She has her laptop with her and is ready to get everyone signed up. Hope everyone has a great week! DOUG

"Therefore know that the Lord your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments;" Deuteronomy 7:9

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for coming.

BROKEN TOYS

As children bring their broken toys
 With tears for us to mend
 I brought my broken dreams to God,
 Because He was my friend.
 But then instead of leaving Him
 In peace to work alone,
 I hung around and tried to help,
 With ways that were my own.
 At last I snatched them back and cried,
 "How can you be so slow?"
 "My child," He said,
 "What could I do?
 You never did let go."

Welcome Visitors. We appreciate your presence and hope you will join us for worship again real soon.

**GIVE ME THE BIBLE
CONFERENCE COMING
SAT. JANUARY 27TH
Next Saturday**

From Dan's desk:

GIVE ME THE BIBLE

The "Give Me The Bible" television program had its beginning back in 1989. Just three congregations produced the first program, as we know it today. How thrilling it is to know that God has blessed the efforts of success. Literally thousands have heard the gospel and many have obeyed the gospel as a result of the combined efforts of sister congregations including the Crockett Rd. Church of Christ. The congregation has been overseeing this good work for many years now. This program is a tremendous tool of evangelism, and we are making every effort to reach out with the Gospel of our Saviour. We are ready to meet the challenges that God places before us in the New Year. The program started on the local channel KETK NBC 56, but now through God's Blessings, we have been able to reach out on other affiliates, NBC, FOX, GBN, the world wide web, etc. How exciting to know that the church has served as a catalyst in accomplishing great things for the Lord. The future is as bright as the promises of God. We hope to see you at the conference this Saturday. Don't miss it. It's exciting.

Something Jesus Never Heard

When faithful Christians discuss the Bible with their loved ones, friends, co-workers, etc, they are often faced with the following response, "Well, that's just your opinion." In the entire record of Jesus' ministry, we never see that response given to our Lord. Even when dealing with the devil, the devil never offered the lame excuse at Jesus' feet. Consider also how the latter part of Jesus' ministry was marked by controversy. That is, there seemed to be a continuous barrage of questions about the law, authority, etc. In **Matthew 19:1-9**, the Pharisees challenged Jesus concerning the Divine law of divorce and remarriage. Jesus responded by going back to Eden and God's original plan. When He did so, none of his detractors said, "Well, that's just your opinion." In **Matthew 19:16-22**, the rich young ruler asked Jesus what to do to inherit eternal life. When Jesus gave his final exhortation (v21), the young man did not reply, "Well, that's just your opinion." Finally, (though other instances could be recalled), in **Matthew 22:23-33**, when the Sadducees sought to entangle Jesus with their question about the Levirate law, Jesus quoted from **Exodus 3:6** and refuted their argument. They did not respond with, "Well, that's just your opinion." So you ask, what does this all mean? I believe there are several conclusions we can draw: **There is a proper way to use scripture.** Had Jesus misused the scripture, His conclusions wouldn't be His opinions, but false doctrine. This is why Jesus never said, "Well, that's just your opinion" to those who contended with him. We must be eager to learn and follow the teaching of our Saviour and Lord. Real truth is more than a simple opinion. Truth stands for itself
