

Good morning and welcome to services! Last Sunday night's chili cookoff and dessert auction was a great success and we are so appreciative to everyone who supported this effort. We appreciate all who attended, as your attendance is such an encouragement to our young people. We are so also grateful for all those who made cakes and chili and to those who made donations to our youth fund. Our youth fund supports so many efforts during the year, including camp, youth conference trips, Lads to Leaders, any luncheons, brunches and events hosted by our youth and also funds mission trips and service projects for our young people. Your contributions allow us to grow spiritually and we are so grateful! Lads to Leaders convention prep is in full swing. We are working on puppet shows, scrapbook, art projects and preparing for oral Bible reading, song leading and other convention events. Thanks to all the parents and mentors who are working behind the scenes! Hope everyone has a great week! DOUG

"If possible, so far as it depends on you, be at peace with all men."

Monday Night For The Master Resumes Tomorrow Night

From Dan's desk:

The Monday Night For The Master program will again be taking place among the events we have scheduled for the year. If you have not been attending, please plan to join us for a wonderful activity of fellowship, work and good pizza and salad. By the way, we will go on Daylight Savings Time on March 12th (in two weeks). We will stay on this time from now on. I am glad that we will have more light at the end of the day. Those who find it difficult to drive to church on Sunday evening after we generally change the time in the Fall, will have no excuse not to participate with us on Sunday evenings. Thanks so much to those of you who participated in the "Chili Cookoff and Cake Auction". It was a great event and the youth are blessed by your generosity. The food was great and money was raised to help with the cost of LADS TO LEADERS convention this April, as well as many service projects and church events hosted by the youth. Thank you so much for helping our children. We welcome the People Family into our fellowship. They responded last Sunday for prayer and membership. Welcome. See you tonight at 6 P.M. DAN

PLEASE TURN OFF ALL CELL PHONES

Remember Monday Night For The Master will resume tomorrow night Feb. 27th at 6:15 P.M. Mark it on your calendar and plan to be with us.

"How To Achieve Peace"

There have always been times of peace and war. Solomon said: "To everything there is a season, and a time to every purpose under the heaven...a time to love, and a time to hate; a time of war, and a time of peace" (Eccl. 3:18). As long as free-thinking people with different priorities and ideals exist, war and strife will exist. Peace is a costly thing! Our nation has not become the nation that it is without many battles, sacrifices, blood and tears of our forefathers. Our nation has always been peace loving. Wars have been fought because of unrest and ulterior motives of other countries trying to disturb or rob our nation of its privileges. The world has been a constant battleground for thousands of years. How can we achieve that peace we all so much crave? God is the author of peace (1 Cor. 4:33; Rom. 5:33) and until His will is embraced by mankind, there will be no peace, "For He is our peace...and came and preached peace to you which were afar off, and to them that were nigh" (Eph. 2:14, 17). As Jesus was preparing for His departure to be with God, He told His disciples: "Peace I leave with you, my peace I give unto you: Let not your heart be troubled, neither let it be afraid" (Jn. 14:27). He brought that peace by the cross, "...having made peace through the blood of His cross, by Him to reconcile all things unto Himself" (Col. 1:20). "Peace is: the normal, non-warring condition of a nation, a group of nations, or the world; a state of mutual harmony between people or groups; freedom of the mind from annoyance, distraction, anxiety; tranquility, serenity, silence, calm or quiet." Some see our biggest problem with Russia or other nations. Society's problem is that we are not at peace with self; when not at peace with self, nothing else can be right because we are constantly looking through jaded windows. A letter was received by the IRS stating: "I can't sleep; my conscience is bothering me, enclosed find a check for fifty dollars. If I still can't sleep, I'll send the balance." The individual was just willing to do enough to relieve guilt, but not enough to square the debt. **ARE YOU AT PEACE? Dan**
