

We appreciate those who work in Bible Hour! You all do a great job working with the young kids. Thank each of you for sacrificing your time each week to be with them. We enjoyed the program last Sunday evening! We have several youth going to church camp this year. We will leave for camp on Sunday, June 9th after our morning worship service and will return on Friday, June 14th. Please pray for all of the youth that will be there this year. My thanks to Kathy Chambless for going as well. Camp is always a fun time, many memories and friendships are made at camp. Parents please make sure that read over what your kids need to bring with them. BEN

Vacation Bible School will take place on Tuesday June 11th. If you can make cookies please sign the list and plan to bring at least 2 dozen on that day. We request that you do not make cookies with nuts. Some of the children are allergic and could cause problems.

MEMORIAL DAY, WHAT IS IT ALL ABOUT?

I am convinced that there should be more than one "Memorial Day" each year. It seems that to most Americans it's just another "Official Holiday," the "unofficial start of summer," the end of the school year, a cookout. Surely Memorial Day means much more to those of us who are true Americans. Sure, there is the passing mention of those who have fallen in defense of our country. There are stories on the news programs and in the newspaper and more flags than usual might be seen. But it doesn't seem like it is enough or that the majority of us really, truly consider its depth of meaning. I also believe the same thing is true with regard to the greatest sacrifice ever made...the death of Jesus of Nazareth on the Cross of Calvary so long ago. The vast majority of people may claim to remember; yet they fail to celebrate and meditate on its importance. Jesus died on a cross as an innocent man, the Son of God giving His life for the sins of many. The first century church came together on a weekly basis to commemorate this great event with a memorial supper. Acts 20:7 Far too many who claim to be Christians today continue to observe this memorial. Many disregard it and only think about it once or twice a year. How tragic. May God help us to remember tomorrow those who gave their lives for this country and may God help us to remember the death of our Saviour today and every day of the year. DAN

*Boy did it rain again.
Children's Bible Program was
Great!!*

From Dan's desk:

Last Sunday many were unable to attend services because water was over roads, bridges were washed out, no electricity, trees were down on property, etc, because of the storm on Saturday night prior. At the last account, we had over 8 inches of rain in a few short hours. We are grateful to those who were able to be in services. On Sunday night the Children's Bible Hour presented a program following the evening worship service. It was great to see the young people dressed up like Bible characters. They did a wonderful job portraying the men and women of the Bible. It was a wonderful day in many respects. A big thank you to those who came for Monday Night For The Master last Monday night. This was the last meeting and work session until September. Many will be out of town on vacations, etc over the next three months and this gives everyone a little break. Thanks to Doug Sumrall for the meal last Monday night. The Brisket and sausage along with the Potato salad and beans were wonderful. We are so thankful for his generosity. The clean up is also a big job and these fine people always take care of things that need to be done. Thanks also to Sandy, Shelly and Ann along with their husbands for their help preparing the meals and getting ready for the evening each time. Thanks to Carl Rutledge for always bringing the tea for each month. We appreciate his generosity and kindness as well. It has been a wonderful year and so many things are accomplished by those who come. Thanks to all of you for your help. Thanks for being in worship today. See you tonight. DAN

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for com-

Q: If you have 13 apples in one hand and 10 oranges in the other, what do you have?

A: Big hands.

GOD IS OUR DESIGNER

Have you ever looked up at the stars? Have you ever noticed the beauty of the sunset or sunrise? Have you ever studied the human body in it's spectacular detail? Did these things just happen? Did these things, by chance, come into existence? The details and beauty of the world around us cannot just come into existence on their own. They cannot just "fall into place." Life is too complex to suggest that a "big bang," asteroid, or evolution is responsible for everything around us. Our natural and scientific laws tell us that with great design, comes a great designer. David wrote, "The heavens declare the glory of God; and the firmament shows His handiwork" (Psalm 19:1). David was able to look at the world around him and see that God was responsible for the beauty and design of such wonderful things. Paul tells the Roman church that from "the creation of the world His invisible attributes are clearly seen" (Romans 1:20). Skeptics and atheists will agree that a wedding doesn't just fall in place, but instead someone needs to plan the decorations and events. Skeptics and atheists will agree that buildings and skyscrapers don't build themselves, but instead take careful planning on behalf of architects and construction workers. If these things are clearly seen, then the same logic needs to be applied to the intricate details of our universe. The design does not just happen. A design needs a designer. God is our designer DAN
