We will be having a devotional in the activity building next Sunday night. Hope you can join us! Also, mark your calendar for June 22nd! This will be our first Summer Youth Series for 2021 and we will be hosting it! More details to follow...

We know summer can be a busy time, but please remember to make plenty of time for The Son. DOUG

Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful;  
 2 But his delight is in the law of the LORD,  
 And in His law he meditates day and night"  
 Psalm 1:1-2

One Sunday after Sunday school, a Mom asked her very young daughter what the lesson had been about. The daughter answered, "Don't be scared, you'll get your quilt." Needless to say, the Mom was perplexed. Later in the day, the minister stopped by, and the Mom asked him what that morning's Sunday school lesson had been about. He said, "Be not afraid, thy comforter is coming."

### WHAT ONE MAN DISCOVERED

In 1847, Sir James Simpson of Edinburgh discovered the use of chloroform as an anesthetic in surgery. Some claim this to be the most significant discovery of modern medicine. In his later years, Sir James was lecturing at Edinburgh University and a student asked, "What do you consider to be the most valuable discovery of your lifetime?" He answered quickly, "My most valuable discovery was when I discovered myself a sinner and that Jesus Christ was my Savior." The book of Romans makes clear these two significant truths that Simpson articulated. The problem is sin. "For all have sinned, and come short of the glory of God" (Romans 3:23). And the penalty for sin is death (Romans 6:23). Paul declares that the power of God unto salvation is the gospel of Jesus (Romans 1:16). In Christ we have the divine provision: "While we were yet sinners, Christ died for us" (Romans 5:8). The price that was paid? "Being now justified by his blood, we shall be saved from wrath through him" (Romans 5:9). Now what's the process by which we contact that blood? By placing our faith and trust in Jesus (Romans 5:1), and being buried with Christ in baptism (Romans 6:1-4). Then we are to dedicate the rest of our lives in service to Him (Romans 6:12-18; 12:1). ## JUST SOMEONE WHO UNDERSTANDS

A farmer had some puppies he needed to sell. He painted a sign advertising the pups and set about Nailing it to a post on the edge of his yard. As he was driving the last nail into the post, he Felt a tug on his overalls. He looked down into the Eyes of a little boy. Mister," he said, "I want to buy one of your puppies." "Well," said the farmer, as he rubbed the sweat off the back of his neck, "these puppies come from fine parents and cost a good deal of money." The boy dropped his head for a moment. Then reaching deep into his pocket, he pulled out a handful of change and held it up to the farmer. "I've got thirty-nine cents. Is that enough to take a look?" "Sure," said the farmer. And with that he let out a whistle, "Here, Dolly!" he called. Out from the doghouse and down the ramp ran Dolly followed by four little balls of fur. The little boy pressed his face against the chain link fence. His eyes danced with delight. As the dogs made their way to the fence, the little boy noticed something else stirring inside the doghouse. Slowly another little ball appeared; this One noticeably smaller. Down the ramp it slid. Then in a somewhat awkward manner the little pup began hobbling toward the others, doing its best to catch up...."I want that one," the little boy said, pointing to the runt. The farmer knelt down at the boy's side and said, "Son, you don't want that puppy. He will never be able to run and play with you like these other dogs would."With that the little boy stepped back from the fence, reached down, and began rolling up one leg of his trousers. In doing so he revealed a steel brace running down both sides of his leg attaching itself To a specially made shoe. Looking back up at the farmer, he said, "You see sir, I don't run too well myself, and he will need Someone who understands."

**Many activities planned for the summer months. Plan to be a part of all we do. GREAT FELLOWSHIP!**

*From Dan's desk:*

My thanks to Ben for preaching last Sunday evening while I was in Gilmer. I have been holding meetings with the church there at Shady Grove for probably 25 years. Perry Cowan is the Minister there and has done a great work with the congregation there. Perry and I have been friends for a long time. We both attended college together and were best men at each other's weddings. Many of you are aware that we are not having the V.B.S. Super Tuesday this year due to a number of reasons. Getting enough staff members to help and with the young people being involved in so many different activities like Lads To Leaders, and other youth activities. We will attempt to resume with the V.B.S. next Summer. We continue to see many others coming back to be with us in person inasmuch as the Pandemic is getting better. We are so thankful that our nation is being able to resume their normal activities. There are so many trouble spots around the world with the Coronavirus and we pray that things will be better soon. Speaking about activities we will again have our fourth of July "watermelon fellowship" on July 4th. This year it falls on Sunday. We will do this following the evening worship service. The watermelons will be furnished. We will go to Pennington's to get the melons that week and have them ready for the fellowship. Make plans to be with us that Day. Thanks you all for being present today. I hope you enjoy your summer, and wherever you may go on vacation be sure to worship God. See you tonight. DAN

#### WELCOME VISITORS

#### **NO PAIN, MEANS NO GAIN"**

There is an expression among those who exercise regularly, "No Pain, No Gain." The expression basically means that if you are not willing to work hard and suffer a little for your efforts, then you are not going to accomplish very much. Just doing the easy and simple exercises that don't challenge one's body won't lead to lasting results. The same principle is true in life as well. In order for one to be productive in business, for example, one must be willing to make sacrifices of time and money; one must make an effort in order to do well. In our personal relationships also, we understand this to be true. The more we put into a relationship the better it is going to be. The parent who makes an effort to spend time with his children is going to have a better relationship with his child than the parent that doesn't. The husband who spends more time with his wife will have a better relationship than one that is always gone. Should it cause us to wonder, when we come to the spiritual world, that if we don't make an effort at serving the Lord that we're not going to get anything out of our relationship with God? The same principle is true here as well. "No pain, no gain." Sometimes I think that people expect church to be some kind of spiritual playground where we can just relax and have fun in the glow of God's goodness. While I certainly believe that coming to church can be rewarding, it doesn't quite work like a playground. Our worship and service requires of us some effort, both mentally and physically. The more effort we put into our worship and service, the greater our relationship with God will become.
