Good morning and welcome to services! We are so glad you are here. If you aren't currently attending our Bible classes on Sunday mornings and Wednesday evenings we would love to have you join us. We have such a great time studying God's word together! Tonight is our Back to School ice cream supper! We hope you will stay and enjoy ice cream as we celebrate our students and educators returning to school. We are praying that everyone has a wonderful school year! It's hard to believe we are at the end of our summer. It's time to start thinking about upcoming events, and there will be a brief meeting regarding the L2L spaghetti supper on Wednesday at 6:45 in Alison's classroom for anyone interested in helping with the planning! We are in the process of updating the U.S. Servicemen prayer list. Some of these men we are not acquainted with here. The list of men are on a poster attached to the glass in the foyer. Some may be in need of removing because they are no longer serving, or you may know of someone that needs to be added to the list.

If you know any information about these men, please let us know.

Encourage One Another

Joel Stephen Williams

In a revival meeting in a village church, many had made professions of faith. Toward the end of the series of meetings, the visiting preacher made a request of everyone present: "Is the person here who most influenced you in becoming a Christian? Maybe it is your mother or your father, your Sunday school teacher, your minister, or your neighbor. I wish that each of you would now rise and go and shake hands with the one who most influenced you to follow Christ."

All over the church auditorium people went to one another and encouraged one another by saying: "Thank you." Many went to parents. Others went to Sunday school teachers. Some went to the preacher. Yet others went to the Sunday school director. The longest line, though, formed in front of a woman in her late 70s. She had never taught a class or filled any prominent role in the life of that congregation, but for many decades her quiet life of consecration had touched more people than anyone else. In worship, in her home, and in the community, she had led many to Christ.

It is the power of example of a godly life which may convert a mate when sermons from the preacher will not do any good (1 Pet. 3:1-4). It is the consistent acting out of faith by a parent which can be the most powerful influence on a child. Maybe you do not have the ability to be a great song leader. Maybe you do not feel like you can take on the responsibility of being a teacher (Jas. 3:1). Maybe you will never serve in a prominent role in the church. But none of these are a cause for concern. If you live a faithful, devoted life of service to the Lord, you will have a wholesome influence on all of those around you.

**Taylor Family places
membership with us
Welcome to our fellowship
Ice Cream Supper Tonight.**

From Dan's desk:

We are so happy to have the Taylor family with us. Jason, Kellie and boys made the decision to be identified with the congregation and place membership with us. They are a wonderful family and have just moved to Palestine this summer from the Arlington, Texas area. They will be great additions to the church here at Crockett Rd. If you have not met them as of yet, please take the time to greet them today before you depart the building. We have added a number of people to the prayer list recently. Several remain ill or in the hospital and some who have lost loved ones in death., Please continue to pray for all of these during their trying times. Please remember the ice cream supper tonight following the evening worship service. This will be a great time of fellowship. Nothing better than ice cream on a hot day. Such is the case today. Some schools have started already and others will start this week. Continue to pray for the students, parents, and teachers as they embark on a new school year. Some of our young children will start to school for the first time this year and this is always a big transition for them. We hope to see you tonight at 6 P.M. Several have been sitting closer to the front and we are grateful. We hope others will join you. See you this evening.

Satan Is At Work Again

Ever since the creation mankind has been deceived by believing the lies of Satan. We are warned to, "Let no one deceive you by any means" (2 Thessalonians 2:3). "But evil men and impostors will grow worse, deceiving and being deceived" (2 Timothy 3:13). How does Satan use people to deceive other people into believing his lies? "For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works" (2 Corinthians 11:13-15) A person who is deceived actually deceives himself into believing a lie. But we are warned, "Let no one deceive himself" (1 Corinthians 3:18). Jesus says, "And you shall know the truth and the truth shall make you free" (John 8:32). We must desire to know the truth or we will believe the lies of Satan. "Because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe a lie, that they all may be condemned who did not believe the truth" (2 Thessalonians 2:10-12). Those who are deceived will lose their souls in eternity. This is such a **great** price to pay for believing a lie.
