

Good morning and welcome to services! We've had some beautiful fall days and are looking forward to enjoying one this afternoon at Great Harvest Farm! We will meet at the building at 2:00 to head that way, or you can catch up with us at the farm.

Please check out the retreat on the bulletin board if you are interested in attending. You'll find a sign up sheet and some other details.

We are looking forward to carving pumpkins next Sunday night, so be on the lookout for the perfect pumpkin to bring.

Hope everyone has a great week!

ETERNAL LIFE IN THE BALANCE

Our eternal salvation is the most important thing in this life. It doesn't matter what we have accomplished if we lose our souls in Hell; we lose it all. Jesus says in Matthew 16:26, "For what profit is it to a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?" Nothing in this world is worth losing our soul over. This life is very short. "It is even as a vapor that appears for a little time and then vanishes away" (James 4:14). In eternity we will be placed in only one of two possible places: Heaven or Hell. Heaven is so wonderful, we can't even begin to imagine what it will be like but Jesus says, "there are few who find it" (Matthew 7:14). Heaven is described by our Lord as containing many mansions (John 14:1-3). In Revelation 21:4, we read, "And God shall wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away. Hell is so terrible that we cannot comprehend how horrible the torment will be with the continual weeping, wailing, and gnashing of teeth (Matthew 8:12). Jesus says "there are many who go in by it (Matthew 7:14). Those who go there will be "cast into the lake of fire and brimstone...and they shall be tormented day and night forever ever" (Revelation 20:10).

**Welcome Visitors along
with members of the
congregation here.
LORLEE REEDER passes.**

From Dan's desk:

We do thank all of you for being present for Bible class and worship this morning. If you have come as a guest of members of the Lord's Church we want to welcome you into our midst. It is always great to have visitors among us and recently we have had a large number of those visiting. We had a great attendance last Sunday and it is great to see the numbers picking up gradually. Being in bible class and worship is so important for you and your family. Sometimes we forget that we are leaving a legacy for others to follow. Is your life and value system worthy of following? We were saddened by the death of our long time church secretary, LORELEE REEDER, who passed away last Monday morning. She will be missed and remembered with great fondness for all the good she did for the congregation here through the years. She was a devoted servant of God and we all loved her deeply. Our prayers continue for her family in her passing. Lorelee had worked for the church here for over twenty years. Her memorial service was held here at the church building last Friday morning with interment in Canton, Texas at the Cana Cemetery. See each of you tonight at 6 P.M. DAN

Responses to Adversity

Acts 16:25 About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them. The soldiers stripped them, beat them severely and placed their feet in stocks. Then the evangelists praised God. I confess that this is not the way I have always responded to adversity. Have you? They knew that the officials at Philippi had taken nothing necessary from them. They had lost their freedom. They were uncomfortable. They were separated from other loved ones. However, they still had their faith, hope and love in Christ and they expressed this as they prayed and sang. The prisoners were impressed with their faith in the midst of suffering and the jailor was impressed too. He and his family followed Jesus after they heard the suffering singers preach the gospel! DAN

JUST RESPECT OTHERS

In Luke 18:2 a man is described as neither reverencing God nor respecting man. Does that connection have a logical ring to it? A healthy fear of God surely would promote a sense of respect and honor for lesser but worthy objects. Things were different when I was a boy. We respected parents, teachers, policemen, older people, other people's property, institutions, grandparents, customs, other people's space, women if you were a male, other's advice, Bible class teachers and preachers, and a host of other people and things. People did not have to "earn" your respect. That was woven into the very fabric of society. I cringe in our day to see how little respect is shown anyone or anything. The "common courtesies" of an earlier time are certainly not common today. That built in polite, gracious behavior of yesterday has been abandoned for a crude, rude, thoughtless, self-centered insistence on "me first." This lack of respect seems to be a big issue in America and in our world. Let's respect others and teach our children to do the same. DAN

**CONGRATULATIONS
Our congratulations to
