

Good morning and welcome to services! We had such a great time last night at our youth group Halloween party! It's always fun seeing the costumes everyone comes up with and just enjoying fellowship on a beautiful fall evening. This Saturday morning is the Stockpot Chili cook-off and Crockett Road has two entries—one from Charles McOullough and one from our youth group. We will be gathering in the activity building this Friday night to make our chili and then on Saturday we will serve our chili at the cook-off. Following the cook-off we will be helping to load the food donations at the cook-off in Montalba and then will unload the food at the Stockpot. The winning chili will be determined by the number of canned goods collected so let's bring lots of cans for donation to the Stockpot! We will see you all tonight for Trunk or Treat. Hope everyone has a safe Halloween night and a great week!

## “Once Saved Always Saved?”

Many people teach that "once you are saved you are always saved". They say that it is impossible to fall from God's grace regardless of what you do. This may sound good and comforting, but let's see what the Bible says. In 1 Corinthians 9:27 the apostle Paul says, "But I buffet my body and bring it into subjection, lest, when I have preached to others, I myself should be a castaway." Paul said that it was possible for him to become a castaway. If Paul became a castaway he would be lost. In 1 Corinthians 10:12 Paul gives a warning to the Christians at Corinth by saying, "Therefore let him who thinks he stands, take heed lest he fall." Why such a warning if it is impossible to fall? So the very people, who think they cannot fall, are given a warning to take heed lest they fall. In Galatians 5:4 we read, "You have become estranged from Christ, you who attempt to be justified by the law; **you have fallen from grace.**" Isn't it strange, that people who say they believe the Bible also say that we cannot fall from grace, when the Bible so plainly says that we can fall from grace. Who are we to believe, God or man? Even though many religious bodies say that you cannot fall from grace, the Bible clearly says that people can fall from grace. And without God's grace we cannot be saved. The doctrine of "once saved always saved" and that you cannot fall from God's grace and be lost is a doctrine that originated with Satan. Satan wants people to believe that they cannot fall from grace and be lost. Don't believe it. It is fake news. We should make sure every day that our hearts are right with God.

**Two More Baptized into Christ.  
One responds to rededicate  
her life. Remember Trunk and  
Treat tonight after services.**

*From Dan's desk:*

We rejoice in the baptism of ANA LOPEZ and JORDAN HOLCOMB last Sunday. We rejoice with them upon this decision to obey the Gospel of Christ. Also responding was AMANDA WARREN who came asking for the prayers of the church to be restored in her relationship with God. We want to remind you that after services tonight we will again have "TRUNK AND TREAT" in the church parking lot. If you would like to participate you are asked to bring candy to distribute to the children tonight. You can raise your trunk and pass out candy to the children who are in attendance. We hope that each of you will be here for the evening service and will want to be a part of the evening schedule. Our hearts were saddened by the death of DON YOUNG, who passed this last week. Memorial services were held last Friday. We continue to pray for his family. All of those who have been ill or in the hospital for surgeries are all doing better. Thanks to all of you who came for MONDAY NIGHT FOR THE MASTER last Monday night. We had a great attendance and much was accomplished. It is always great to be together and working for the Lord. Thanks to DWIGHT AND SHELLY and others for working in the kitchen and coordinating this effort this month. We hope to see you all tonight at the evening service at 6 P.M.

## **"WHAT WE NEED IN THE CHURCH"**

The church has enough judges, Critics and perfectionists. If you want an area of ministry where you'll fill a real need, be appreciated, and make a difference, why not trying one of these Christian careers? **Encourager:** Everyone needs help making it through life's challenges. Be the sort of person who reminds us of the promises of God and the strength of Christ. Be the person who knows that the path is tough, but helps others keep on going. **Pit Crew:** It's not just for NASCAR anymore. The pit crew are the ones who refuel, repair, and help make adjustments for others. You never see a pit crewman driving a victory lap—but without their faithful service and training, you'd never see a driver cross the finish line. We need more people who help "refuel the tank" each week. **Guide:** GPS and maps can only get us so far. Sometimes we need the experience of someone who has already walked the path. Grandparents are great guides for parents. Elders are great guides for "younger." Be the sort of person who doesn't just tell people where to go; be the sort of person that walks the journey beside them. **Student:** We never quit learning about Jesus. We never grow out of our need to hear that Jesus loves us. We need more students in the church! **Dreamer:** Joseph's brothers insulted him when they gave him this title, but that doesn't eliminate the need for people who dream about a better tomorrow. Without dreams, tomorrow is will be nothing more than a degraded copy of today. With dreams, tomorrow is just a step towards the glory of God! **Servant:** If we're going to be followers of Jesus, we better fill this job. No student is greater than his teacher, and our teacher was a servant! These are areas of ministry that can involve all. Help the church meet her needs.
