SIX LITTLE WORDS.. ONE BIG MESSAGE

Sir Winston Churchill took three years getting through the eighth grade because he had trouble learning English. It is somewhat ironic that years later, Oxford University asked him to speak at its commencement exercises! He arrived for the event with his usual props.....a cigar, a cane, and a top hat. As he approached the podium, the crowd rose in appreciative applause.

With great dignity, Churchill settled the crowd as he stood confidently before his admirers. He then removed his cigar from his teeth and carefully placed his top hat on the lectern. Looking directly at the eager audience, with ringing authority in his voice, he cried, "NEVER GIVE UP!" Several hushed seconds passed. He rose to his toes and shouted again, "NEVER GIVE UP!" His words thundered across the audience. A profound silence enveloped the crowd as Churchill reached for his hat and cigar, steadied himself with his cane, and descended the platform. His oration was finished.

Churchill's six-word commencement speech was no doubt the shortest and most eloquent ever given at Oxford. His message was one every person present remembered for the rest of their lives.

LITTLE BITS OF HUMOR

"Last night I dreamed you gave me \$200. for clothes," the wife said. "Surely you wouldn't do anything to spoil such a dream, would you?" The husband answered, "Of course not, my dear. You can keep the \$200."

My father thought nothing of getting up at six o'clock in the morning.....and I don't think to much of it either.

The only trouble with Italian coffee is that a week later you're sleepy again.

Cell phone versus Bible

Ever wonder what would happen if we treated our Bible like we treat our cell phone?

**What if we carried it around in our purses or pockets?
What if we flipped through it several times a day?**

What if we turned back to go get it if we forgot it?

**What if we used it to receive messages from the text?
What if we treated it like we couldn't live without it?
What if we gave it to Kids as gifts?**

What if we used it when we traveled?

What if we used it in case of emergency?

**This is something to make you
go.....hmm.....where is my Bible?**

Oh, and one more thing.

Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill.

**Makes you stop and think 'where are my priorities?'
And no dropped calls!**

VOLUME 46

NUMBER 6

February 7, 2010

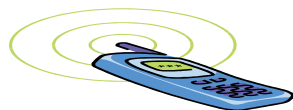

**Church gives over
\$13,000 last Sunday
GREAT!**

From Dan's desk:

Your generosity and love for others is just overwhelming. Thanks to each of you for your continued interest and showering of love on the people of Haiti. The children's homes there will be so thankful for your liberality and commitment to them during this time of need. The congregation here gave near \$6,000 to that particular effort. That is great. The regular contribution did not suffer either. You gave over \$7,500 in the regular contribution. God will bless your generous hearts in many ways. It was good to see several visitors among us last Lord's Day. If you are visiting this morning, thank you for coming. We hope your time in Palestine and at our services will encourage you to want to return in the future. It is great to have you with us. It was good to see several back in the services last week that have been ill and unable to attend services with us. Let's continue to pray for those families who have lost their loved one in death recently and do what we can to make their burden lighter. Sometimes we feel we cannot go on, but the good Lord enables us to face whatever the circumstances might be in life. Thanks for your comments about the lessons last Sunday. You are always so encouraging. We love and appreciate each of you. See you tonight.

**PLEASE TURN OFF ALL CELL PHONES
OR PUT THEM ON VIBRATE.**
