

# Teen News

Thanks to all the teens that came out and helped at the stock pot Monday, it was a great act of service on your part to come out on your day off from school.

The group of teens that went to the Four States Singing School retreat this weekend had a blast. It was great getting back into the camp atmosphere and being able to fellowship with our friends.

LTC will be meeting today, please plan on meeting up here at 1:00 to start. If you would like to eat your lunch up here, we will be staying to eat at the building today.

## One Responds to the Invitation

### From Dan's desk:

The rain was a welcome sight last Lord's Day. Some often stay away when the weather is cold and rainy, but the faithful always show up. We appreciate all those who gathered with us last Sunday to worship our God. On Sunday morning, **BELINDA JACKSON** a visitor from Beaumont (daughter-in-law of Virginia Hall) responded to the invitation asking for the prayers of the church here and acknowledging her desire to be restored in the relationship with God. We commend her and continue to lift her up in our prayers. The Bible Conference and Banquet was a great success. It was good to have numerous visitors from other places with us, as we gathered to update area congregations on the work that is being done through their support of this ministry. Thanks to **PAUL HILLIER** and **MAXIE BOREN** who spoke and challenged us with words about Heaven. Others lead songs, reports were given about this work, and a big thank you to Christian Products of Dallas who came with the huge book and Bible material display for those in attendance. The food, fellowship and preaching of God's Word made it a memorable day. It is great to know that the Gospel is being preached in the entire world through the combined efforts of this congregation (who has the oversight of this Ministry) and some other 30 churches who help with production and air time. The Ladies Bible class resumed meeting last Tuesday. We appreciate all those who meet with us each week for this time of Bible Study. Please be reminded that **MONDAY NIGHT FOR THE MASTER** will resume tomorrow night. We will meet at 6:15 for the meal and work from 7-8 P.M. Why not give an hour of your time to the Lord tomorrow night? Thanks for coming this morning. See you tonight.

PLEASE TURN OFF ALL CELL PHONES OFF

## *WILL ROGERS ON GROWING OLD*

**First-** Eventually you will reach a point when you stop lying about your age and start bragging about it.

**Second-** The older we get, the fewer things seem worth waiting in line for.

**Third-** Some people try to turn back their odometers. Not me, I want people to know 'why I look this way.' I've traveled a long way, and some of the roads weren't paved.

**Fourth-** When you are dissatisfied and would like to go back to youth, think of Algebra.

**Fifth-** You know you are getting old when everything either dries up or leaks.

**Sixth-** I don't know how I got over the hill without getting to the top.

**Seventh-** One of the many things no one tells you about aging is that it is such a nice change from being young.

**Eighth-** One must wait until evening to see how splendid the day has been.

**Ninth-** Being young is beautiful, but being old is comfortable.

**Tenth-** Long ago, when man cursed and beat the ground with sticks, it was called witchcraft. Today it's called golf.

And finally-If you don't learn to laugh at trouble, you won't have anything to laugh at when you're old.
