Good morning everyone. It is good to see you all this morning. Thanks to all those that attended the LTC meeting last Sunday and remember I need your forms no later than tonight. See you all this evening.

## WHAT A LESSON!

As a group of college students toured the slums of a city, one of the girls, seeing a little girl playing in the dirt, asked a guide, "Why doesn't her mother clean her up?"

"Madam," he replied, "that girl's mother probably loves her, but she doesn't hate dirt. You hate dirt, but you don't love her enough to go down there and clean her up. Until hate for dirt and love for that child are in the same person, that little girl is likely to remain as she is." Until hate for sin and love for the sinner gets in a person, he will do little about this sin sick world.

# MONDAY NIGHT FOR THE MASTER

## One Responds to invitation

*From Dan's desk:*

Please be reminded once again that the truck from the Tipton Children's home will be here tomorrow and if you haven't brought your items for the home, please do so by tonight. We are happy to have a part in helping those less fortunate. As we mentioned last week, the "Give Me The Bible" television conference was great. As I mentioned to the church last Sunday, the church in Reklaw, gave a check in the amount of \$22,000.00 to the Give Me The Bible program. This money will be used to reach out in other areas with the Gospel of Christ. Over 18 different congregations were represented at the conference and we had a large number from the church family here. We appreciate your continued interest in reaching out with the message of our Saviour. We also want to remind you that tomorrow night is the first Monday Night for the Master program since we last met in October. There are so many who work together with us in accomplishing numerous things for God's Kingdom. Last Sunday evening JERAME GIPSON responded to the invitation to ask for the prayers of the church. We commend him. Please continue to pray for him and his family. Before too much longer, we hope to have our pictorial directory and the pictures back on the pictorial display board. It just takes time for all of these things to come together. We met with the parents and young people last Sunday in the activity building following the morning worship service about L.T.C. Even several that could not be with us last Sunday, are planning to be involved in L.T. C. This is a great program and we appreciate all who work with it. Blake and Brandy continue to do a good job of working with the youth. Last Sunday evening, I had the privilege of bowling with Blake and the youth. It was a lot of fun. Our group may be small at present, but they are great kids. Thanks for being present this morning. See you tonight. DAN

## RESPONSE FOR PRAYER JERAME GIPSON

Our sympathy is extended to Bill Chandler and Lorelee in the death of his niece and her cousin, MELANIE HENDERSON, in Canton. Her services were held on Friday.

### Hugging

*is a special gift. Great for any occasion, fun to give and receive, shows you care, comes with it's own wrapping, and of course, is fully returnable. Hugging is practically perfect. No batteries to wear out, inflation proof, nonfattening, no monthly payments, theft-proof and non-taxable.*
