DISNEY HEARS A CRICKET?

Victories in the culture war (apart from public policy battles) may be few, but the long-running dispute with the Disney Co. may now have produced at least one. Disney has announced that its subsidiary film distributor Miramax will not produce a new film called *Dogma* set for premiere this spring. *Dogma* is yet another highly "original" film in the tradition of Disney's *Priest*, mocking the life or teachings of Christ. In *Dogma*, set in the contemporary world, the Virgin Mary and Joseph have sex and conceive a child, a daughter who works in an abortion clinic. God is played by pop singer Alanis Morissette. Comedian Chris Rock, just released from the Oscar awards show, plays a foul-mouthed 13th apostle, and a stripper named Serendipity compares the Catholic Mass to a bad sexual experience.

Disney's Jiminy Cricket used to say, "Always let your conscience be your guide." Disney is nowhere near that old-time standard yet, but by dropping *Dogma* it may be shying away from a fight with religious and pro-family groups that has hurt the company in the past.—Washington Update, 801 G Street, NW, Washington, DC 20001.

**MONDAY NIGHT FOR
THE MASTER STARTED WITH
A GREAT ATTENDANCE**

From Dan's desk:

Thanks to all of you who came to Monday Night For the Master last Monday night. Much was accomplished as is always the case when God's people give of their time and effort to serve Him. The food was good and we always enjoy the fellowship at such gatherings. We continue to have request for copies of the sermons and materials offered on "GIVE ME THE BIBLE" television program. These requests come from all over the United states, from those who watch our program on National Television, and those who listen to sermons on our website. Much good is being accomplished for the Lord. Continue to pray for those who are lost and separated from Christ. Thanks for being here this morning. See you tonight at 6 P.M.

QUIPS

“The fool that eats till he is sick, must fast till he is well”
‘Government laws are made to give us civil rights, but God’s Law is given to make us civil’.
“The door of happiness opens outward”

“THINGS”

May we never let the things we can't have, or don't have, or shouldn't have, spoil our enjoyment of the things we do have and can have. As we value our happiness, let us not forget it, for one of the greatest lessons in life is learning to be happy without the things we cannot or should not have.

DISHES

Several dishes still remain in the small fellowship hall from food taken to families who have suffered death recently. Please check to see if any belong to you.
