### More Is Caught than Taught

1. If a child is taught that he is his own authority, he will look upon all other authority with disrespect. If a child is taught that God and His word are final authority, he will look upon all authority emanating from Him with respect.
2. If a child is taught he is part of the theory of evolution, he will look upon Himself as an advanced animal. If a child is taught that he is created in the image of God, he will look upon himself as an immortal soul.
3. If a child sees the Bible is only read in church assemblies, he will look upon it as unrelated to daily life. If a child sees the Bible read and obeyed in his house and education, he will look upon it as a guide to life and eternity.
4. If a child is taught that there is no absolute truth, he will look upon morals as subject to his emotions of the moment. If a child is taught that God's word is absolute truth, he will look upon morals as subject to firm Biblical precepts.
5. If a child is allowed to read profane and foul literature, he will look upon life as permissive and perverted. If a child is taught that God hears and answers prayers, he will look upon prayer as a source of strength to help through life.
6. If a child is taught that reasonable discipline is an infringement upon his right, he will look upon his parents and teachers with contempt. If a child is taught that parents are responsible to God to discipline him for his highest eternal good, he will look upon his parents with love and respect.

*"And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord." (Eph. 6:4)*

# WELCOME TO DOGWOOD TRAILS

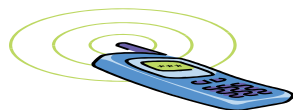

(They will eventually bloom)

## From Dan's desk:

*It is hard to believe that one week ago from today that we had a winter blast and that it was snowing outside. What a change a few days can make in Texas weather. Thank you for being here this morning. It is a great day to worship God. Many came to see the "Dogwood Trails" and beautiful dogwoods that were "NOT" in bloom. They missed it this year. They will come. Tomorrow night is the time for the monthly Monday Night For The Master" program. Plan to be with us. There is much to do and working together, we can get it done in about 1 hour. Thanks to Jane Grumbles who recently donated a new "Proofer" food warmer for the activity building. This was done in memory of her late husband Jim Bob Grumbles. We appreciate her kindness and thoughtfulness. See you tonight.*

PLEASE TURN OFF ALL CELL PHONES  
OR PUT THEM ON VIBRATE.

## L.T.C. COMPETITION

Our youth and some of their parents will be leaving this Thursday morning for Dallas to compete in the "Leadership Training for Christ" competition. Please remember these in your prayers, for a safe trip there and back. These young people have been preparing for this for weeks now and we know they will do well, as they always do. Good luck and remember your church family here loves you and we are proud of you.

A big "Thank You" to Jane Grumbles for donating the funds to purchase a warming oven for the activity building to keep food brought to fellowship luncheons and other functions hot. This oven is being donated in Jim Bob Grumbles memory.

We also want to thank Gary Oliver for installing it and making it look so nice.
