## THE GREAT NAME OF JESUS

By Dan Manuel

So often we hear someone say, "Oh, there's nothing in a name. It doesn't make any difference what name a man wears; he can be a Christian and wear any name he wants. A man cannot be an acceptable Christian wearing just any name. A Christian wearing some other name is wearing an alias, an assumed name. Peter said, "If any man suffer as a Christian, let him not be ashamed, but let him glorify God on this behalf." 1 Pet. 4: 16. One thing that Jesus commended the Church at Philadelphia for was "That thou didst keep my word and didst not deny my name." Rev. 3: 8. The prevailing fault with so many religionists today is that they have failed to do this for which the Philadelphian's were commended. They are holding fast to a name, but to one for which they can find no justification in the Scriptures. In Heb. 6: 10, the early church was assured that God would not be so unrighteous as to "forget your work and the love which they showed toward His name." The Scripture states, "Neither is their salvation in any other name, for there is none other name under Heaven given among men wherein we must be saved." Acts 4: 12. In the New Testament we find "the disciples were called Christians first at Antioch." Acts 11: 26. Jesus asks, "Do they not blaspheme the honorable name by which ye are called?" James 2: 7. The name of Christ is the greatest that ever graced the earth. May God help each of us to recognize the importance of wearing the name of Christ, thereby giving honor and praise to the worthy name wherein we are saved.

## Another Brother Places Membership

### From Dan's desk:

We are happy that you are here this morning. God's servant said, "How pleasant it is for brethren to dwell together in unity." Your commitment to love and unity is always obvious. We have had a number of folks place membership with us in recent weeks and months. It is because of the love and our commitment to preaching the truth that encourages others to want to be part of such a congregation. Last Sunday EUGENE WHITT made the decision to place membership with the Lord's church here. We welcome him into the fellowship of God's church at this place. Our Monday Night for the Master will be held tomorrow night. We encourage you to join us for Pizza at 6:15 p.m. and then for the work period between 7 p.m. and 8 p.m. Much is always accomplished. The program will take a break during the summer months and will resume again in September. We hope to see you tonight at worship.

PLEASE TURN OFF ALL CELL PHONES  
OR PUT THEM ON VIBRATE.

## ONLY OUR BEST WILL DO

Long ago, a band of minstrels lived in a faraway land. They traveled from town to town singing and playing their music in hopes of making a living. They had not been doing well financially, however. Times were hard and the common people had little money to spend on concerts, even though their fee was small.

The group met one evening to discuss their plight. "I see no reason for opening tonight," one said. "it's snowing and no one will come out on a night like this."

Another said, "I agree. Last night we performed for just a handful. Even fewer will come tonight."

The leader of the troupe responded, "I know you are discouraged. I am too, but we have a responsibility to those who might come. We will go on, and we will do the best job that we are capable of doing. It is not the fault of those who come
