

Teen News

Congratulations to the Graduating Seniors. I am proud of you all. The devotional tonight will be at the home of Todd & Christie Perry.

Ladies Wednesday Night Bible Class

The Ladies Bible Class that meets on Wednesday night began a study on "Women of the Bible" this past Wednesday. Pam Shellenbarger is teaching this class. They would love to have you join them. They meet in the Family Room in the Activity building.

SINGLES AGAIN

The Singles Again group will be going to Tyler to the Texas Roadhouse this Thursday night, May 28th. We will be leaving the church at 5:30PM. Let us encourage anyone who is single to come and go with us. This is not a group set up to find a mate, it is just friends enjoying a meal and fellowship together. Please sign the sign up sheet on the bulletin board if you plan to attend, so reservations can be made. We will be taking the bus and Larry Baskin will be driving us.

Quotes For Memorial Day

"Yesterday, the greatest question was decided which ever was debated in America; and a greater perhaps never was, nor will be, decided among men. A resolution was passed without one dissenting colony, that those United Colonies are, and of right ought to be, free and independent States.

John Adams July 3, 1776

I only regret that I have but one life to give for my country.

Nathan Hale

Those who expect to reap the blessings of freedom must, like men, undergo the fatigues of supporting it.

Thomas Payne

Freedom is still expensive. It still costs money. It still costs blood. It still calls for courage and endurance, not only in soldiers, but in every man and woman who is free and who is determined to remain free.

Harry S. Truman

OUR FREEDOM WAS PAID FOR BY OUR VETERANS.

Congratulations to LAUREN STANALAND, Cecil & Virginia Stanaland's granddaughter, who graduated from Texas A & M with a degree in Animal Science.

After You're Gone

Our house is not a home anymore,
Since you left to go to war
I miss your voice, your touch, your smile
And oh so very much more.

Today I had a visit from a soldier back from war.
I knew the moment that I heard, the knock upon the door
That you would not return to me,
No never, any more.

Now how do I go on with life
My heart has stopped, I can not breathe
My ears can't hear your voice and fear is constantly near.
Without you my love, my heart is full of fear.

The shock and pain are slowly, trying to subside
For I know the Lord will comfort me, each and every time
I bring my needs before Him, with a prayer upon my lips.
For He is my fortress and the rock from whom I'll never hide.

The Bible promises comfort
To every one who mourns,
For the Lord will wipe away my tears
And bring me back some joy.

I never will forget you dear,
You will always be in my heart
But for now the Lord has chosen
In His divine wisdom that we must be apart.

I know that we will meet again, remember that my dear
For time is not the same in Heaven, so you need not fear.
A day is as a thousand years and as long as this is true
Our next meeting will seem as though it's only been an hour, a day, or two.

MEMORIAL DAY
Graduating Seniors
To be honored today

From Dan's desk:

Good morning! Today is Memorial Day. We should never forget our war dead. They paid the ultimate price by the giving of their lives for this country. How proud we are of them. It is not Veteran's Day, but it would be a great time to say thank you to a Veteran today. This morning we will be honoring our graduating seniors. They were listed in the bulletin last week. This is a special time in their lives. We are proud of their accomplishments. We will be having a luncheon this morning following the worship service. This luncheon will be held in their honor. A power point presentation will be made featuring our graduates. They will also receive special recognition and a presentation by the Elders at the end of the service this morning. Thanks to those who came to the Monday Night for the Master last Monday. We had a good attendance for the last meeting until September. We hope to see you tonight for worship.

PLEASE TURN OFF ALL CELL PHONES
OR PUT THEM ON VIBRATE.
