Praise camp time is here and we will be leaving today after the luncheon. I would like to try to leave the church at no later than 1:00 PM, so eat and fellowship in a timely manner. I would also like to thank Jim & Brandy Ricard for opening their home, and their swimming pool, to us for the devotional last Sunday, as we all had a great time. Big thanks also to Pam & Arnold Shellenbarger for helping prepare the meal.

Doctors & Mechanics

A woman surgeon was disturbed about the high cost of her car repair.

"This is ridiculous!" she said, "charging me five hundred dollars to grind the valves and put in new piston rings."

"Not really, just think about it. You are a surgeon and should know that an automobile engine is just as complicated as a human body. The mechanic who serviced your car is just as skilled as you are."

"Is that so? Well, let me see him grind valves while the engine is running."

"Your problem is too much consumer confidence!"

CHECKING OUR ATTITUDE

Bobby K. Thompson

In his letter to the saints at Philippi, Paul reminded them of the importance of possessing the proper attitude regarding spiritual matters. "Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves. Look not every man on his own things, but every man also on the things of others. Let this mind be in you, which was also in Christ Jesus:" (Philippians 2:3-5). I have made the statement that the word "attitude" was not found in the Bible. I was referring to the King James Version of the Bible, and I believe that it is not to be found in this version. However, we are to be careful when making such a statement when so many different versions and translations now exist. Rather than the word "mind", the New American Standard Version uses the word "attitude" in Philippians 2:5. Regardless of whether mind or attitude, the meaning is that we are to have the disposition or mental position which Jesus possessed if we hope to be like Him. It is good to take a check or examination at times. "Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates?" (II Corinthians 13:5).

Vacation Bible Scheduled for June 23rd. The One Day School this year promises to be Biblical, exciting and encouraging to all children who attend.

From Dan's desk:

We welcome all of our visitors with us this morning. It is great to have you in our worship service today. We hope you will feel encouraged by being present with us. We hope you will come again when you can. We are having a luncheon following the service this morning, and we hope that each of you will stay for lunch. This will take place in the activity building. There is plenty of food and you will enjoy the fellowship. Our Vacation Bible School is coming up in a couple of weeks. We hope and trust that you will encourage young children to come and share in this special day. It is going to be a wonderful experience for those in attendance. The teachers are all ready and anxious to teach the children about God. Much planning and effort has gone into making this a successful day. Thanks to Bob Lewis for preaching last Sunday night. I had the opportunity to be a part of the Lectureship in Hemphill. A number of the Give Me The Bible T.V. program speakers were involved all last week preaching each night about the God that we serve and honor. It was great being with the church there. I have been on their program for the last three years. We are so excited about the new screens and Power point projector. Power point is a great way to share the Word of God and teach those in attendance at the services. We are grateful to George Wooden for making the screens and helping to provide this service each week. We were excited about SHANNON SPENCER being baptized last week. Dale and I visited with him and had the opportunity to study with him about God and he was baptized on Tuesday of last week. Shannon was baptized in Athens, Texas several years ago, and felt he had not been properly baptized for the right reason and wanted to make it sure. We commend him for taking this step. May God continue to bless us as we serve Him.
