## VOLLEYBALL GAME

Remember that there will be a volleyball game tonight after services between the adults and teenagers. Pizza will be served and all are invited to attend.

## “LOVE IS THE KEY”

A recent study of maladjusted high schoolers show how important it is to tell our children we love them. After the counselors had worked long enough to gain rapport with ten of the most maladjusted students, they asked them how long it had been since their parents had told them they loved them. Not a single student could remember having heard such a comment. By contrast, ten of the best adjusted teens answered the question by saying, “this morning”, or “last night” or indicated that they had been verbally reassured of their parent’ love within the last few hours. Surely we understand the importance of telling our children that we love them dearly. They often get on our nerves and we grow weary sometimes, but oh how we need to remind them of our abiding love for them. Why not tell them today?

***Valet parking program starts.  
Fellowship Luncheon Next  
Sunday at noon.***

***From Dan's desk:***

**Our new valet parking program started last Sunday and several took advantage of having their cars parked when coming to the worship service. Several of the men will be on hand each Sunday to do this for those who are elderly and physically challenged. We really appreciate the men for making this service available. It is good to see each of you this morning. We still have a number of folks out on vacation. This is always true of the summer months. It will be nice to have everybody back home once again. If you have come to visit our services today, we are happy that you have joined us in worship. We hope that your time spent with us and that that the worship experience will be such that you will want to come again. We hope you will be with us tonight. Next Sunday morning following the worship service, we will have a fellowship luncheon in the activity building. You are asked to bring two of the following, vegetable, salad, casserole or desert. Plan to stay. HARMONY ONE from Dallas will sing for us at the luncheon.**
