

# Teen News

Today we will eat lunch together (*parents and youth*), have a devo and go bowling following. We had to postpone this from last week. We encourage all youth and parents to join us for these activities today. We tried to reach all of you by phone and if we missed you, we did make the effort. Please help us to continue to build the youth group and make it vibrant. We want to encourage all of you to participate if you are not doing so at present. We encourage you to begin attending Bible Class now that school has started. It is easy for us to get out of the routine. Remember to put God first. We hope you had a great week as you started back to school. Please make the effort to come on Wednesday nights and Sunday as we study together. **BEN**

# Bible Class Promotion Today

*From Dan's desk:*

Promotion in Bible class took place today. We appreciate all of those who come to Bible class and participate. This would be a great time to make it a point to be in every Bible class and worship service of the church. You will be made stronger as a result of your participation. Our teachers spend a lot of time in preparing for the classes each week. Children's Bible Hour will also begin soon. On September 11th, Children's Bible Hour and Toddler's Bible Hour will resume. We have a lot planned for the Autumn months. We hope that parents will take advantage of the opportunity to have your children in classes where they are taught more about God and His Word. School started this last week and everyone got back in the routine. Please make the effort to get in the routine of coming to Bible class and worship. We continue to have numerous visitors at our services. Several Bible studies continue to be conducted with those not members of the church family here. God continues to bless the Crockett Rd. congregation. The love and concern of others in the church here is most unique. May that love continue to abound. Today following the worship service, the youth and parents will meet for lunch, a devo and bowling adventure. Thanks to Ben and Keri for making plans. The Bible Hour workers will also meet in another location in the building for lunch and planning session for the lessons this Fall. We are grateful to Audrey, and Amanda for helping to organize the program this year. Thanks for being here this morning. We hope to see you tonight at 6 P.M. DAN

## **"JUST KEEP QUIET OR SILENT"**

The word silence or its equivalent is found often in your Bible. We often sing a song that has this word within it which is taken from Habakkuk 2:20. It is here that men are told to "keep silence before him." There is much more than just being quiet in the assembly where God is worshiped. Take a look at some cases of silence that may be either good or bad. There is a silence that is suitable. There are no doubt times when it is best to say nothing. Was this the case with the friends of Job? You know they came and sat with Job for seven days and "none spake a word unto him: for they saw that his grief was very great" (Job 2:13). It seems the only fitting thing is to just say nothing. They could, however, just be there to let him know of their concern and sympathy for him. Isn't this the case when death occurs and we just go to be with those who have suffered the loss? Though we may not say a thing, just being there is enough. There is a silence which is selfish. Have there not been times when a word of thanks ought to have been uttered? Have there not been times when words of encouragement needed to be stated? Yet, there was not heard a single word. Wasn't this the case with those nine lepers that should have turned back to give thanks for their healing (Luke 17:17-18)? There is a silence that is sinful. Yes, there is a time to be silent; but there is also a time when such would be sinful. Wouldn't that be the case if you saw a person about to be killed but would not warn them? Wasn't there a time when the apostles were told not to speak or teach in the name of Jesus (Acts 4:18-19)? Would it not have been a sin for them to just say nothing? After all, they were compelled by the Lord's commandment to preach the gospel. To be silent in the face of threats would indeed be sinful DAN
