Thanks for everyone who showed up and filled out a sheet for LTC last Sunday night, if you weren't able to attend, please let me know and I'll get you a sheet.

We will have a devotional in the activity building tonight after the Sunday worship service, please plan to attend.

SINGLES

The group will be going to Beijing China Buffet on Thursday night, November 5th. We will meet there at 5:30 PM. This is a change from the original announcement, which said we would go to Tyler. Please sign the sign up sheet on the bulletin board, if you will be attending.

We will have no more Monday Night for the Master until the first of next year due to Holidays.

Also, there will be no more Ladies Support Group sessions until January.

"WHAT GOD TEACHES US"

Dan Manuel

WHAT IS FAITH? It is trust. Who is there I can better trust than God? If I trust God, what will He do to bless my life?

He will teach me to concentrate on what is good. The world is filled with good and evil. The daily papers are filled with the evil. If I concentrate on that, it will destroy me. If I concentrate on the good, I will be happy—and able to bless others. Phil. 4.

He will teach me to be content. Contentment can be enjoyed whether I have much or little. Paul experienced both conditions, but he could live in contentment with either. We can too. Contented people are happy people.

He will teach me how to tap power. How we long for the power to achieve. This ability is ours when we learn to draw upon the inexhaustible power that lies in Jesus. As I draw from that reserve I have power for all I need to do.

There is no life like the life of faith. My trust in God equips me for victorious living. No wonder happiness and contentment are mine—and can be yours.

Best of all, these benefits are tokens proving God has still greater gifts in store for us in eternity.

**WELCOME VISITORS AND MEMBERS
WE ARE GLAD YOU ARE HERE.
NOON LUNCHEON TODAY**

From Dan's desk:

We welcome those of you who are with the R.V. Rally at Grapeland and the Sojourners and others visitors who have come to join us in worshipping the Lord this morning. Some of you have been in the area all week and we have enjoyed your fellowship. Thanks the Ray and Donna Franks and others who hosted the fish fry last Friday night. All those who attended from Crockett Rd. really enjoyed the evening. We appreciate your hospitality. Please give us an opportunity to return the favor by staying for the fellowship luncheon in the activity bldg. this morning following the worship services. It is always good to see all the members of our church family here today. Many have been ill but are better, and for that we are thankful. Thanks to all the ladies who helped with the preparation for the luncheon and other activities like Monday Night for the Master last Monday. Thanks to all who came to help. God always takes note of what you do. We will look forward to seeing you tonight in services.
